Mira Mesa Presbyterian Preschool is committed to sharing Christian values through a developmentally appropriate play based program which encourages positive relationships and celebrates the uniqueness of the individual child while strengthening and supporting families in our community.

It is our belief that each child is a gift from God. It is our privilege and duty to meet each child's individual needs and to help your child develop and grow into the unique and special person that they are meant to be.

National Association for the Education of young Children standards have been a foundation of our school since 1986.

MMPC History

The church was organized in 1973 by Rev. John Worthington as the United Church of Mira Mesa. Our first services were in the pastor's living room, and we moved to various portable classrooms before completing (1977) the building we now use for education. The present Sanctuary Building was completed in 1983. In 2009, we completed a breezeway, youth room, and outdoor improvements as part of our ongoing Master Plan.

Our mission is to grow:

- * In faithfulness through our praise and prayer to Jesus Christ;
- * In our knowledge and understanding of God's Word;
- * In our fellowship with all who worship here;
- * In openness to God's calling us to minister and serve;

We envision a church:

- * Where friends and visitors are treated as members of our church family;
- * Where young and old are welcomed and appreciated;
- * Where we share our time, talents, and resources generously

To continue the ministry of Jesus Christ through the power of the Holy Spirit here in our community and throughout the world.
